Work Requested:

Please remove marker & place in a safe place to store it. The family never paid the \$4,200 for the burial in 2019. By removing the marker we hope to get their attention and payment.

Work completed to correct situation:

*Alberto Marteniz, son, called re. marker being removed. I explained that Julio has called many times re. burial not being pd. for. Marker will not go back on until they call Julio to let her know when it will be pd. ~ Spoke Spanish but understood me*
